International Conference on Criminal Threats and International Answers in the Global Sport Industry

December 2014
According to Europol, other 300 suspicious matches were identified outside Europe, mainly in Africa, Asia, South and Central America in 2013.
Match fixing does not understand about sport and it threatens the credibility of the entire sports system.
Match-fixing is a phenomena that every year is getting bigger and bigger.
Match-fixing is not enough when you can create a ghost match
Latvian club Daugava Daugavpils investigated for match-fixing over their 7-1 defeat to Elfsborg
Match-fixing is so spread that even main teams in Greece turn to it as solution to their problems.
Olympiacos - Pantharakikos (5-1)
Lokomotiva Zagreb - NK Istra 1961 (4-2)
Is there a solution to this problem?
Who we are

- International Non-Profit Organisation
- Headquarter in Brussels and offices in several countries in Europe
- Combating Match-Fixing from the beginning of the international phenomenon
- Recognition by major partners in the sport as:
